MEMORANDUM NO. _____

T O : CONCERNED PHO AND NSPH EMPLOYEES

S U B J E C T : GENDER SENSITIVITY TRAINING

DATE : NOVEMBER 15, 2022

The PGNS Gender and Development Focal Point System Technical Working Group spearheads the implementation of Gender and Development Programs. Among the priorities is to ensure that the PGNS employees create and maintain a gender-fair workplace and provide an opportunity for the participants to analyze gender issues and concerns.

This has led to the identification of a one-day Gender Sensitivity Training (GST) for the PGNS personnel, which will be executed in three batches, with forty five (45) participants per batch on December 1, 2, and 6, 2022, 8:00am, Ibabao Hall, Capitol, Catarman, Northern Samar.

Given that our hospital staff members deal with a variety of clients and patients, these three batches were slated exclusively for PHO and NSPH human resources.

In this regard, the following employees are directed to attend said intervention.

Attached is the list and schedule for your guidance.
